President's Message:

Tenders close on 27 January for the first stage of some building improvement works. The works should commence in April and will include upgrades to the Kitchen and Change Rooms, replacement of the glazing to the Hall, and raising the paving to the pergola area to match the level of the veranda. Further improvements to provide improved change rooms, storage, coach's office and junior ablutions are planned for later in the year subject to agreement with the City on a loan. In December the Council endorsed the Rosalie Park Master Plan. Importantly for OPTC, this shows the tennis club remaining in a stand-alone building. The master plan also indicates the replacement of Court 3 with a new synthetic court. (see overleaf)

Hopman Cup 2016
